

# Applications in Automation Conference

Wilmington, DE  
March 23-25

Mark your calendar now to attend the Applications in Automation Conference! This three-day conference features several of ISA's most popular training courses, a local ISA technical conference with paper presentations on today's hottest automation topics, a product and solutions showcase, and an evening event for networking with your peers. The technical conference on March 24<sup>th</sup> provides a unique opportunity to hear about innovative applications from other members of the Mid-Atlantic ISA Region. Attend the technical conference in-person or via virtual conference. Same low cost (\$60 for ISA members). Same great presentations.

## Technical Conference Topics:

- Instrumentation (Wired, Fieldbus and Wireless)
- Regulatory and Advanced Regulatory Control
- Advanced Control
- Safety Instrumented Systems
- Alarm Management
- HMI Design
- Control System Networks and Integration
- Cyber Security
- Energy Management
- Emissions Monitoring

## Agenda:

### Tuesday, March 23 - ISA Training Classes (8:00 – 4:00)

- Alarm Management - Introduction to the Management of Alarm Systems (IC39C)
- Wireless - Industrial Wireless Systems (IC85C)

### Wednesday, March 24 – Technical Conference (8:00 – 5:00)

- Paper / Presentations: (Lunch at onsite cafeteria is included)
- Networking Event: 5:30 – 7:30 PM

### Thursday, March 25 - ISA Training Classes (8:00 – 4:00)

- Safety Systems - Safety Instrumented Systems—The Must Know for Implementation (EC50C)
- Security - Introduction to Industrial Automation Security and the ANSI/ISA99 Standards (IC32C)

## Location:

Dupont - Barley Mill Conference Center  
4417 Lancaster Pike - BMP 20  
Wilmington, DE 19805

## Cost & Registration

- One-day technical conference: \$60 for ISA members and \$160 for nonmembers
- One day ISA training class: \$445 for ISA members and \$545 for non-members (per class)
